*APY = Annual Percentage Yield and is accurate as of 7-24-2023. Initial APY for 15-month term is 5.05% until you exercise your request for a one-time bump up option within the initial term provided rates have increased. Subsequent rate will be the Federal Prime Rate index minus 3.00% at the time your one-time signed request is received. Option to increase rate and APY requires you to visit an OMB branch and request the increase in writing before the maturity date. Requires a minimum opening deposit of \$1,000 and a minimum balance of \$1,000 to earn APY. A penalty may be imposed for early withdrawal of funds. The renewal rate for the 15-month term will be based on the 12-month board rate in effect at time of maturity. No-penalty CD: Requirements include a minimum opening deposit of \$1,000 and a minimum balance of \$1,000 to earn APY. Early withdrawals are not permitted within the first 6 days following account funding; after this period, balance must be withdrawn in full. Offers are good for a limited time only and may be withdrawn at any time at the Bank's discretion. Rates subject to change without notice; see Truth-in-Savings for complete account disclosures. Fees could reduce earnings. Available for consumer and commercial accounts. **Member FDIC**
