ONLINE BANKING

Your online banking account is about to hit the next level! With a user experience that's fast, seamless and forward-thinking, you'll instantly notice the difference – and wonder how you ever lived without it.

DASHBOARD

This useful screen is the first thing you'll see each time you sign in. It's your one-stop-shop to view all of your accounts and recent activity at a glance. From any screen inside of online banking, you can also navigate to other tabs—located on the left side of the screen—for quick access to popular features like “Transfers” and “Messages.”

ACCOUNTS

When you click on a specific account, it will expand and go into greater detail. Here you'll find information including recent transaction activity, interest rate (if applicable) and year-to-date interest. You can also print from this screen and view any scheduled transfers or other activities.

CREDIT

For a credit product such as a line of credit, you can view your available credit, the amount you have used, and payment information. This includes your payment amount, payment due date, and last amount paid.

The screenshot shows the 'Credit' page for account x3456. The balance is \$5,716.38. The 'Activity' section lists transactions such as 'YOUR TOWN CINEMA' (\$7.50), 'GEORGE'S BBQ & PUB' (\$37.25), and 'EL GRAN RESTAURANTE' (\$13.98). A 'Credit usage' section shows a 75% usage of a \$7,000.00 limit, with a balance of -\$5,716.38 and an available amount of \$1,283.62. The 'Details' section includes payment information like the due date (12/15/20) and a 'Pay' button.

TRANSACTION DETAIL

When you click on a specific transaction, a box will pop up and provide you with additional information regarding the transaction including the date and amount, plus the option to add a personal note or attach an image of the receipt for your records.

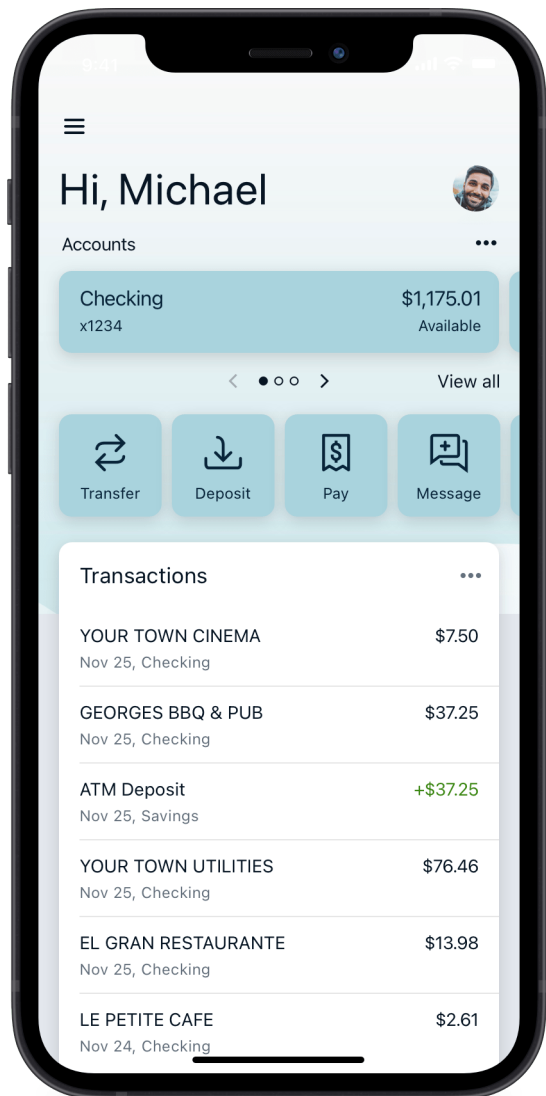

The screenshot shows the 'Transaction details' pop-up for a transaction of \$13.98 at 'EL GRAN RESTAURANTE' on 11/25/20. The pop-up includes options to 'Add tags' (with 'Entertainment, Food' selected), 'Add notes', and 'Attach image'. Below these are 'Similar transactions' with a table:

Date	Amount	Similarity
Feb 4, 2020	\$104.80	389.00
Nov 2, 2019	\$9.54	389.00

The background shows the credit account dashboard with an available balance of \$6,737.24.

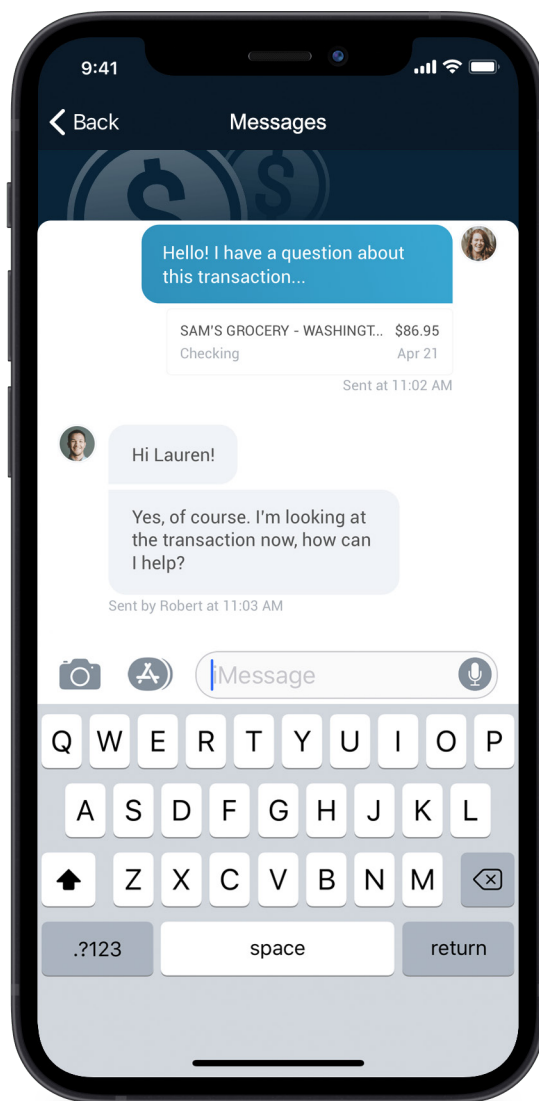

MOBILE BANKING

The mobile app contains the same fantastic features as the desktop version, just in a condensed format that's easier to view and navigate from your smartphone or tablet!

DASHBOARD

Once you've signed into the app, this is the first screen you'll see. From here you can view recent transactions, initiate a transfer, deposit a check, and so much more.

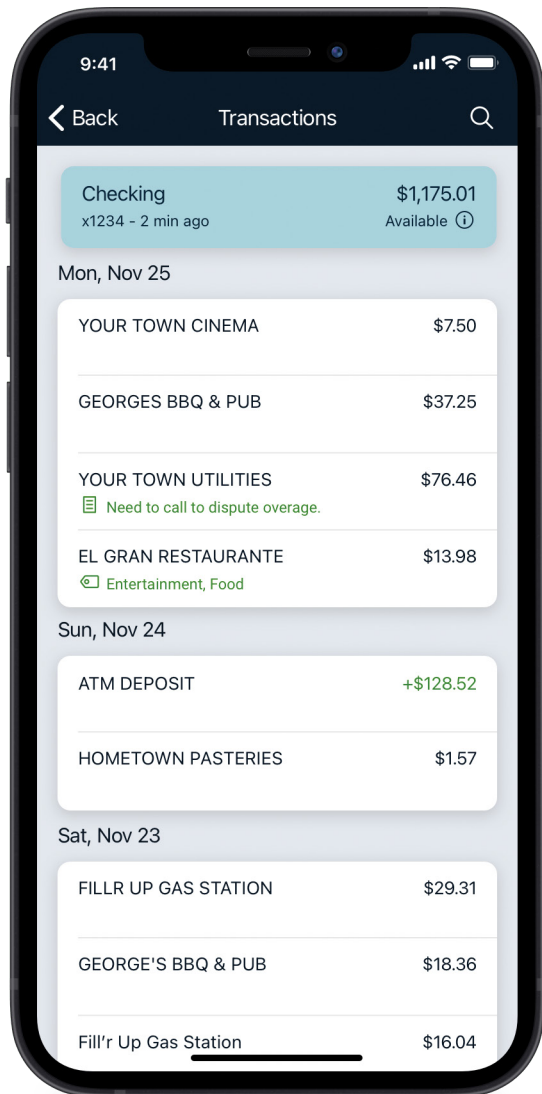

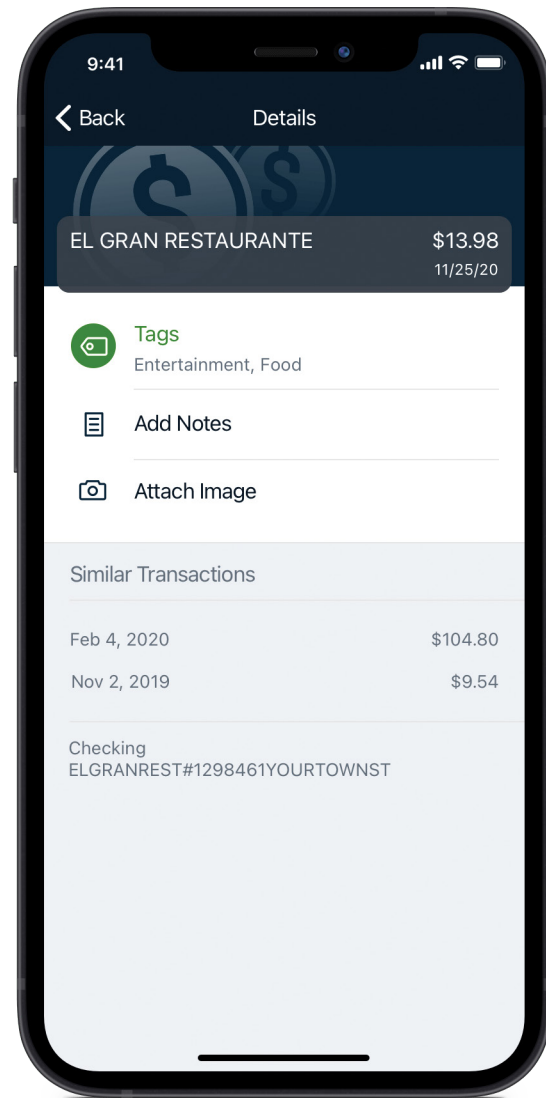

MESSAGING

We're there for you when you visit us in-person. Imagine that same level of service, provided by our friendly OMB teammates, over the digital channel. That's Messaging, available inside both online and mobile banking.

TRANSACTION DETAIL

When you select a recent transaction, it will open a screen with additional transaction details that will allow you to see the date, amount, and any other times you've made purchases with that vendor before. Need to keep track of receipts? It's easy! You can attach images to a transaction straight from the mobile app.

TRANSACTIONS LIST

Viewing your account history shows you a list of recent transactions in chronological order, separated by date, all in one place. Need to set a reminder? Easily add a note to any transaction by clicking on it. You can also assign tags to transactions for even greater cataloging.
